Children's Wish

Celebrating over 30 years, almost 25, 000 wishes granted and countless smiles.

Dear Rodney,

I would like to thank you for your donation towards our silent auction to support the 13th Annual Swing and a Wish Golf Tournament, on June 1st, presented by Cruz FM. It was a beautiful sunny day, with nearly 100 golfers competing in the tournament. This year we had a new Silent Auction platform where golfers had the opportunity to bid on their items of choice, online, prior to the event and all day while they were out on the course. Bids went right down to the wire with a very successful take away for items purchased. Thank-you for your support to help children coping with a life threatening illness, have their wish granted!

Currently, we are working to fulfill wishes for over **120 Saskatchewan** children. The work we do is about dignity, creating the magic of a wish and impacting the quality of life for children coping with a life-threatening illness. At our lunch and banquet we heard the stories of two families, about how their wish trip impacted the lives of both Emmett, Franklin and their respective families. These trips relieve the stress of an illness, if only for a few days, which allows the family to have a break from their day to day hospital visits, medical tests and hospital stays. The smile on their faces when they return home is priceless. Stories like Emmett's and Franklin's continue to provide us with a vision, inspiration and a common understanding of why we continue to build the success of Swing and a Wish!

On behalf of all those touched by the Children's Wish Foundation, we could not accomplish this without your support! Thank you for your donation and we look forward to your support in 2018!

Sincerely,

Brittney Sittler
